IN RE: Application of Quail Hollow Utilities, ) ORDER  
Inc. for Approval of an Increase in ) GRANTING REQUEST  
Sewer Rates and Charges. ) FOR EXTENSION

This matter comes before the Public Service Commission of South Carolina (the Commission) on the August 8, 1995 request of counsel for Quail Hollow Community Association, Inc., an Intervenor in this Docket for an extension of time in which to prefile its testimony and exhibits in this matter.

In Order No. 95-1093, the Commission established a schedule for prefiling of testimony and exhibits by the parties in this Docket. The Order held that Quail Hollow Community Association, Inc.'s testimony and exhibits in this matter should be prefiled on or before August 10, 1995. Counsel for the Association respectfully requests that it be granted an extension until August 16, 1995 within which to prefile its testimony and exhibits in this matter. Counsel relates that there have been unforeseen demands upon his time, and that there has been difficulty in coordinating the development of the testimony with the necessary witnesses during the summer vacation season. Counsel also believes that no party will be prejudiced by the granting of the extension, and that other parties in this action do not oppose

this Motion.

The Commission has examined this matter and believes that the request of Quail Hollow Community Association, Inc. be granted.

IT IS THEREFORE ORDERED THAT:

1. An extension of time until August 16, 1995 is hereby granted to Quail Hollow Community Association, Inc. to prefile its testimony and exhibits in this case.
